## NAR TRACHEAL HOOK

# Meets the unique needs of Tactical Healthcare Professionals...

The NAR Tracheal Hook is designed to meet the specific and unique needs of the Tactical Healthcare Professional when performing surgical cricothyroidotomy.

Unlike other tracheal hooks the NAR Tracheal Hook has a unique finger grip that allows you to stabilize and anterior displace the cricoid cartilage while providing maximum access and visualization.

#### **Features:**

- For maximum access & visualization during an emergency cricothyroidotomy
- Stabilizes the cricoid cartilage for anterior displacement
- Unique finger grip design

#### **Dimensions:**

- Device: L 4.2 in. x W 0.5 in. x D 0.8 in.
- Weight: 0.5 oz
