

MINI MEDIC BAG

NOTE: PVC Patches, Shears and Tourniquet Holders sold separately

REV013123

Compact, multi-purpose trauma aid bag for ultimate versatility...

The Mini Medic Bag is a compact trauma aid bag designed to provide various capabilities for different mission profiles. External pouches and side/bottom MOLLE allow for external tourniquet or other attachment options. Large pouch on back panel includes a drop-down pouch with abrasive resistant padded bottom allows storage of compact breaching tools (not included). External expansion zipper allows for increased load capacity if needed. The inside of the bag has two small and one large, clear tear-away pouches for medical or other equipment supply storage. Along with two mesh inner pouches and an internal pouch on the inner lid, many storage options exist.

Features:

- Bag only option
- External storage options include 2 pockets and extra drop-down pouch for breaching tools or hydration pack (not included)
- Expansion zipper to increase load capacity
- External MOLLE on sides and bottom of bag / Internal MOLLE rows on inside back of bag
- Three clear tear away pouches on the inside main compartment
- Two internal mesh pouches and one larger internal pouch on inner lid
- Internal tape roll strap

Specifications:

- H 14 in. x W 11 in. x D 5 in. (Depth expandable to 7.25 in.)
- Weight: 3 lb
