

National Stop the Bleed Day **BLEEDING CONTROL KIT**

REV031318

To address today's growing concerns, North American Rescue has designed the special **National Stop the Bleed Day Bleeding Control Kit** to equip anyone, anywhere with the essential medical gear needed to take immediate action in life threatening emergencies. Contained in a ruggedized, vacuum-sealed pouch, this life saving kit provides intuitive and easy-to-use tools that are proven to help to save lives such as the same Tourniquet and Hemostatic Dressing technology recommended by the U.S. Military & the American College of Surgeons Committee on Trauma to control bleeding. Also included are step-by-step illustrated "Just in Time" pictorial instructions, so that even untrained providers can help save a life.

Features:

- Designed to provide the essential bleeding control equipment needed to help save a life
- Small, compact and easy to use
- Packaged in a compact, ruggedized vacuum-sealed pouch with illustrated "Just in Time" pictorial instructions
- Kits contain the same Tourniquet and Hemostatic Dressing technology recommended by the U.S. Military & the American College of Surgeons Committee on Trauma to control bleeding
- Trainer Kit (#85-1880) also available

Dimensions:

- H 7 in. x W 5 in. x D 2.5 in.
- Weight: 8 oz

Limited Time Offer - only available until May 1, 2018

The top cause of preventable death in trauma is bleeding.

20% of people who have died from traumatic injuries COULD HAVE SURVIVED with quick bleeding control...
