NORTH AMERICAN RESCUE RECEIVES EXPORT ACHIEVEMENT AWARD

Warsaw, POLAND (April 23, 2009) – North American Rescue was awarded an Export Achievement Certificate Sunday, April 19 by South Carolina Secretary of Commerce Joe Taylor prior to the official opening of the 2009 Trade Winds Europe Conference held in Warsaw, Poland.

Through Gold Key Service provided by the US Department of Commerce's Commercial Services, NAR was able to solidify its presence in the Polish market. The Export Achievement Certificate awarded to the company recognized North American Rescue's successful exporting endeavors, exceptional support of its Polish distributor, and efforts to expand sales into other European markets.

“As exports continue to grow in South Carolina so do opportunities for businesses of all sizes,” said Joe Taylor, Secretary of Commerce. “Exports have been a great source of revenue for both large and small companies in our state, providing a means to diversify sales portfolios. North American Rescue serves as an excellent example of how a company can capitalize on demand in foreign markets and grow their business. We congratulate North American Rescue on its achievements and look forward to the company's continued success in South Carolina.”

The award was presented at the home of US Ambassador to Poland Victor Ashe while he was hosting the South Carolina trade delegation led by Governor Mark Sanford. Jun Magpayo, Director of Sales at North American Rescue, was present to receive the award.

North American Rescue, Inc., based in Greer, South Carolina, has enjoyed the honor of serving their country, community, and customers for over a decade. By providing innovative casualty care solutions to first responders, health care professionals, and security forces at home and abroad, NAR is leading the fray to decrease preventable death on the battlefield, whether it be a foreign combat zone or the streets of America.
